community together,  
to help move each  
other forward.

# Programs

## Resource Assistance Program (RAP)

This program aims to empower community members by providing education on available resources and offering guidance to help them achieve their goals.

### Services within RAP:

- Social Service Supports
- Family Support & Parenting Ed.
- Wellness Education/Prevention

## Mental Health Community Partners Program (MHCP)

This program supports the recovery of adults and youth over 12 y/o in transitioning from unwell to well.

The program's focus is on individuals when they are experiencing major transitions (Exp: being discharged from a mental health facility and returning to their family and community). This is a free 90-day program with 5 evening sessions. \*Intensive coaching

## CarePath™ Wellness Coaching

Supports adults and youth aged 12+ seeking mind-body health and healing wellness guidance. This is a free 90-day program with 5 evening sessions. \*Less intensive coaching

UWS CAC is a unique platform created by a Health Home Care Manager and a U.S. Mail Carrier to bridge the gap between community members and essential services. Recognizing the lack of support and connection within the community, they established a space where individuals and businesses can collaborate and assist each other.

UWS CAC aims to foster a stronger sense of community by providing vital linkage supports and facilitating mutual support among its members.
