

Home Health Care Agencies – Licensed (LHCSA)

- Licensed Home Care Service Agencies (LHCSA) provide hourly nursing care and homemaker, housekeeper, personal-care attendants and other health and social services.
- Services are available to clients who have private insurance and those who pay privately. In some cases licensed agencies contract with local social services departments, or certified home health agencies, to provide services to persons with Medicaid coverage.
- The NYS Department of Health is responsible for monitoring the care provided by Licensed Home Care Service Agencies. Complaints, questions or concerns about home health agencies should be directed to the Home Health Hotline (800-628-5972)
