# Programs

## Resource Assistance Program (RAP)

This program aims to empower community members by providing education on available resources and offering guidance to help them achieve their goals.

### Services within RAP:

- Social Service Supports
- Family Support & Parenting Ed.
- Wellness Education/Prevention

## Operation Gratitude Care Packages

Operation Gratitude Care Packages offers a wide range of basic need items to support community members in their journey towards progress. From toiletries to personal care products, these donations aim to assist individuals in moving forward. Additionally, UWS provides care packages specifically designed for those in a "starting over phase" or who are homeless/at-risk of homelessness.

## CarePath™ Wellness Coaching

MHANYs (Mental Health Association in NYS) CarePath™ supports adults and youth aged 12+ seeking mind-body health and healing wellness guidance. This is a free 90-day program. Schedule is posted online.

UWS CAC is a unique platform created by a Health Home Care Manager and a U.S. Mail Carrier to bridge the gap between community members and essential services. Recognizing the lack of support and connection within the community, they established a space where individuals and businesses can collaborate and assist each other.

UWS CAC aims to foster a stronger sense of community by providing vital linkage supports and facilitating mutual support among its members.
